B. Introductions

C. Presentations (10 minutes, 5 minutes for questions)

- 2016 Executive Elections

  Presented by: Dan Kehila

  - Elections have seen low turnout of 6.1% this year.
There will be several Policy Manual amendments recommended to the CPC, like, Nomination form to include video and photo blurb, hold voting week at the same time as AMS; remove a requirement to call elections two months in advance; Elections committee will produce a handbook for the next year.

Dan will be around to help next year.

Questions and Answers:

It was asked and answered about the irregularities and complaints, and answered that there were no complaints formally filed this year except for a question from a Councillor. It was also emphasized that this year has seen a general drop in a number of graduate students voting in comparison to a last year when first used direct mail outs. It was stated that this is a step back in terms of student engagement.

Privacy and Personal Information

Presented by: Amber Shilling

- A friendly reminder: Councillors are Board Directors of the GSS, non-for-profit society in the province of BC. As Chair of HR would like to reiterate some information presented at the October Council last year.
- Society is governed by BC legislation, inter alia, determine what information we can share about employees and any sensitive information we are privy to as Board Directors. We as board members should be very cautious about any possible breaches.
- GSS Councillors are bound by PIPA, but also by a duty of confidentiality, duty of care, duty of loyalty, and fiduciary responsibility.
- HR meetings are held in camera dealing a lot with sensitive information. Employee/personal information is a part of regular business. Minutes are not detailed. Our role is up for review as a part of the Code and Policy Revisions taken into consideration recent shifts, such as hiring GM, revised HR terms of reference, etc.
- At the meetings: President and GM attend HR committee meetings; minutes are based on in-camera protocols; GM will leave the conversation, should there be a conflict of interest.
- Privacy responsibility: for clarifications a legal opinion should be pursued. In the case of doubt, air on the side of caution.
- Resources: Industry Canada, Primer for Director of Not-for-profit corporations; BC Laws PIPA website; Vantage Point training documents, etc.

Questions and Answers

It was clarified that in camera means in private. Information discussed in camera is not to be repeated anywhere else, so cannot say it outside.

It was further noted that any concerns or complaints regarding HR-related matters should be directed to Executive Oversight Committee.

It was further asked about any breaches, to which was a negative answer and further clarified that HR committee is seeking legal advice as to what kind of information can be shared in accordance with the current legislation.

- House Finance Committee – Shona Robinson;
- Human Resources Committee – Amber Shilling;
- Services Committee – Sima Valizadeh;
- Elections Committee – Dan Kehila;

H. Representative Reports
(3 minutes)
- AMS Council – Harry Li;
- Graduate Council – Natalie Marshall;
- Senate – Sarah Simon and Nick Dawson.
- BOG – Veronica Knott and Julie Van de Valk;
  - Just had a resignation of our Finance Chair;
  - Also welcomed three new members who are currently going through orientation, and are amazing and seem to be very dedicated.
  - New BOG Chair, Stuart Belkin is having an introduction as to what happens with the whole governance scenario; will be hearing from alumni, Faculty and student on April 14th in the Boardroom of the Alumni Centre.
  - Committee meetings will be held on April 4th and 5th. On 4th – learning and research committee; on 5th there will be a full day of research on finance, property and planning, so it is a tough time now as trying to do budget.
  - You should have already seen an email from Bog Chair regarding governance concerns. There is a lot going on campus right now – Gupta resignation, issues around Finance chair and response from Faculty Association –discussion items at April 14th meeting.
  - If any questions or feedback, Veronica is happy to talk or detail more on those points mentioned.
- Presidential Search Committee – Amber Shilling.
  - Has met once since February meeting, reviewed a long list of candidates. There was a great deal of interest in the position.
  - Have another meeting coming up on April 8th, we are still on track reviewing candidates.
  - It is planned to have 8 days of candidates interviews in May;
  - Still on track on hopeful placement of a new President on June 30th as Martha Piper has reiterated again that she should resign from the position early summer.

I. Question Period

It was referred to the item introduced at the last Council meeting in camera session. The intention from Council was to have a discussion at this meeting and asked if it is going to be brought up that night, to which the answer was that the Chair of HR does not feel comfortable bringing the discussion up without an advice from a legal counsel as well as all facts and information concerned. It was further asked when it is going to be resumed, to which the answer was that the legal counsel informed HR of their busyness and inability to meet before this meeting; hope to be able to contact them in the next couple of weeks. It was lastly noted that the lawyer was made aware that it is a pressing matter.
It was further referred to the position statement on Sexual Violence ratified at the February Council and asked what has been done since then, to which the answer was that the position statement is public now on GSS website. It will inform the process of policy development and guide participation of the GSS. Meetings are scheduled a little bit later than originally intended, and will start early April. There will be three meetings in a short succession to catch up on the missed time so far. This statement will dictate the way GSS position is. Tobias in the capacity of the GSS President will be contributing to the conversations. And at any other places that we are discussing these issues, the position statement outlines the formal stance of GSS. It was further asked to specify which committees it was made reference to, and answered that UBC committee that develops a policy on sexual assault and announced two weeks ago. UBC Administration has promised a first draft for approval of the Board in June which puts committee on a really tough timeline.

J. Council Motions

10. CIF “Speakers” 

WHEREAS speakers are needed for many events at the GSC, and we currently have only one pair of working ‘active’ speakers, and

MOVER: Vasili Triandafili
SECONDER: Andrew Leyland
MOTION PASSED 25/0/0

13. Policy Manual House and Business Operations\(^2\)  
Introduced by: Code and Policy Committee

BIRT Council approves the amendments made to Section 10 of the policy manual as presented.

Speaker explained rules regarding Omnibus motion.

Motion to omnibus all Policy Manual motions.

MOVER: Tobias Friedel
SECONDER: Adam Howe
MOTION PASSED by unanimous consent

Omnibus motion Policy Manual Section 10, Section 8, Section 4.1

BIRT Council approves the amendments made to Section 10 of the policy manual as presented.

BIRT Council approves the amendments made to Section 8 of the policy manual as presented.

BIRT Council approves the amendments made to Section 4.1 of the policy manual as presented.

MOVER: Xun Zhou
SECONDER: Harry Li

Motivation by Julienne: in constant consultations with the committees to modify, do formatting and clarify sections of the Policy Manual.

Councillor from Forestry expressed his concern over new HR committee terms of references. It was noted that the mentioned policies seem to be changed entirely. It was further pointed out that GM will now oversee the employees. It was also said that this requires further clarification on accountability and GM role, and how accountability works back.

President responded that over the past few years, Society has made a decision to go in this direction. It was noted difficult for part-time Executives to oversee full-time employees when in office only for 10 hours a week. There were attempts to do a decent job, however faced some challenges. Solution was to hire GM to oversee full-time staff. GM is accountable to Executives. HR committee used to be operational one and now moves to governance committee; general rules apply. And that was the intent of the entire process to become a more professional organization.

Ordinary member, former HR chair, remarked that the intent was to make GSS more professional, rather than to have volunteers to handle HR related issues, legal cases, etc. GM adds more stability.

Guest of Council, GSS President 2014-2015, noted that there was a legal issue in the past, problem was that the students were not professionally trained to handle serious hr-related issues.

\(^2\) Special resolution
It was asked and answered that all communications including appraisals are done through GM who has expertise. HR committee has a solely governance function to oversee the process rather than individuals. It was also mentioned that average student does not have necessary training, so isn’t good to do this job.

It was further stated that any questions or concerns should be raised at Council.

It was further said that it is easy to put yourself in a wrong spot when it comes to HR and referred to concerns over unfair treatment.

It was further asked to clarify the policies around GM’s accountability and where the procedures are outlined, and answered that HR handbook is a document to include this information. To which was a follow up question regarding organizational structure, and answered that reporting procedures are outlined in the staff contracts including GM.

It was further noted that general hr-related info should be included in the new councillor package to avoid any misunderstanding as to the roles within the organization; something that is not that intuitive.

It was noted that Councillors have introduction at the new councillor training.

It was stated that full information is not provided in the actual document and suggested creating a chart to outline structure.

There was an objection to vote on the omnibus.

Voting on each BIRT clause occurs separately:
