## Bylaw Revision Form

---

**Rationale Behind Proposed Changes:**

The above changes reflect the removal of the Elections Committee from the Bylaws and Policy Manual. The intent is to replace all mentions of Elections Committee with a new committee which is to be formed simultaneously with the removal of the Elections Committee and Services Committee. The replacement policies will not modify the wording aside from the new name.

*Note: As there is no standardized format for presenting rationale for Bylaw amendments, this form has been adapted from the Policy Revision Form.*
