What type of change is this?		
<input checked="" type="checkbox"/> Amending an existing bylaw	<input type="checkbox"/> Addition of a new bylaw	<input checked="" type="checkbox"/> Removal of a bylaw
Original Bylaw #:	New Bylaw # (if applicable):	
Proposed Revised Policy: (bolded indicates new text)		
Bylaws:		
9.1.1 The Society shall have the following standing committees: ...		
(e) Services, Programming and Events;		
Bylaws 9.1.1.(f)-(h) to be renumbered to 9.1.1.(e)-(g) .		
Policy Manual:		
Policy 8.7 to be repealed. Policy 8.8 will be renumbered to 8.7 .		
Policy 9.3.2, 9.3.4-5, and 9.3.8 to be repealed.		
Remove the mention of Services Committee in Appendix VII .		
Rationale Behind Proposed Changes:		
The above changes reflect the removal of the Services Committee from the Bylaws and Policy Manual. The intent is to replace all mentions of Services Committee with a new committee which is to be formed simultaneously with the removal of the Elections Committee and Services Committee. The replacement policies will not modify the wording aside from the new name.		

Note: As there is no standardized format for presenting rationale for Bylaw amendments, this form has been adapted from the Policy Revision Form.
