GSS Elections Policy

Last revision: June 2024

1 General

- 1.1 The Objective of the Elections Policy is to house all policies and procedures related to elections, previously found in the Graduate Student Society (GSS) Policy Manual. This manual will be available online alongside the GSS Policy Manual at all times and can be accessed by anyone.
- 1.2 The Scope of the Elections Policy covers all policies and procedures related to the GSS election process, the Elections and Engagement Committee’s powers during an election, as well as by-election policies and procedures. Policies in the GSS Policy Manual shall be referred to in this Policy as “GSS Policy”.
- 1.3 All Policies and Procedures in this Policy are an extension of the GSS Policy Manual and therefore amendments must follow GSS Policy 1.2.1. Elections and Engagement Committee is responsible for maintaining and overseeing changes in the Elections Policy. Recommended changes shall be brought to the Code and Policy Committee to ensure correct wording and that no conflicts in policy will be created. Policy changes will be brought to GSS Council in the usual manner of Policy changes as per GSS Policy 8.3.2.c. Elections and Engagement Committee is responsible for an annual review of the Elections Policy after every election to ensure best practice. All Policies and Procedures in the Elections Policy are to be treated as Policy and must be adhered to.

5 General Elections Policy and Procedure

5.1 General Policy

- 5.1.1 Any ordinary member of the Society may be nominated for any position to be contested in the election.
- 5.1.2 Council shall vote whether to ratify the legitimacy of the Society elections process at the first Council meeting after the conclusion of the elections process and in any event, before the next term begins.

5.2 General Procedure

- 5.2.1 The dates for Society elections shall be set and announced to the membership of the Society by the President no later than thirty (30) calendar days prior to the start of voting.

- 5.2.2 The period of nominations, campaigning, and voting shall be set and announced to the membership of the Society by the ESEO no later than one (1) week prior to the start of the nomination period.
- 5.2.3 The ESEO may extend Nomination, Campaigning, and Polling periods by one (1) week increments up to three (3) weeks if deemed necessary. E&E must present the changes to Council at the next meeting.
- 5.2.4 Candidates are required to attend the All-Candidates Meeting or should they be unable to attend the scheduled time of this meeting, they are required to make alternate arrangements for a make-up meeting with the ESEO that must take place no later than five (5) business days after the general All-Candidates Meeting. If a candidate misses the All-Candidates Meeting and has not made alternate arrangements for a make-up meeting with the ESEO that shall take place within the specified five (5) business days after the general All-Candidates Meeting, their name shall be withdrawn from the elections by the Elections and Engagement Committee.
- 5.2.5 Elections and Engagement Committee may require Candidates to submit one or more brief personal statements and a photograph, for purposes of advertising the election and informing voters regarding candidates. These materials may be published on GSS online communications channels and on the ballot, provided that candidates for the same office are featured equally in such communications.

6 Nominations

- 6.1 Nominations shall be affected by submission of a completed copy of the approved nomination form to the ESEO via email with signatures of three ordinary members in support of the nomination and the nominee themselves.
- 6.2 The form can be picked up in person from the Society office or downloaded from the Society website, and it shall be returned in person by candidates to the Society office so a Society staff member may witness the candidate signature.
- 6.3 The nomination form shall follow the format in Appendix III. It may be incorporated as a part of other materials, and aesthetic adjustments are allowed.
- 6.4 Nominations are to be open for at least a period of two weeks and shall close one week prior to the opening of Polling. Nominations are to close on the last day of the nomination period at the close of business of the Society's office.
- 6.5 Nominations shall be filed with the ESEO or their designate.

7 Campaigning

- 7.1 Campaigning is defined by (including but not limited to):
- (a) creating and distributing media that encourages UBC Graduate students to vote for the candidate,
 - (b) attending UBC events to speak with UBC Graduate students regarding the GSS Election, and
 - (c) assembling a campaign team and promoting oneself through the team.
- 7.2 The cost of a candidate's campaign shall not exceed one hundred and fifty dollars. Material used in previous campaigns shall be valued at original cost. The Society will reimburse candidates up to one hundred and fifty dollars for new campaign materials. A signed statement of expenses with receipts must be submitted to the ESEO at the close of the campaigning period, and will be subject to audit.
- 7.3 Candidates may not use any portion of their campaign budget to provide financial or in-kind benefit as an incentive for votes.
- 7.4 Campaign material must be posted in accordance with UBC Building Policy.
- 7.5 There shall be no campaigning within ten (10) metres of the polling booth when polls are open.
- 7.6 Candidates may not use Society or any email distribution lists administered by UBC, its Faculties, or Departments during their campaign.
- 7.7 Candidates may not run in slates, real or apparent, or share expenses for campaign material. A slate means a group of two or more candidates that campaign together for any position elected during the Society's elections on a similar platform for mutual advantage. This includes, but is not limited to, the following activities:
- (a) appearing on another candidate's campaign materials, including but not limited to posters, banners, flyers, handouts, websites, and social media campaign groups;
 - (b) producing posters or other campaign materials that closely resemble those of another candidate in design, colour, branding or appearance; and
 - (c) using the same slogan or slogans as one or more other candidates.
- 7.8 At its discretion, the Elections Policy Panel may prohibit other activities that resemble a slate.

- 7.9 Candidates are expected to campaign independently, but if joint campaign activities, including but not limited to classroom announcements and leafleting, do occur, they must be reported to the Elections Policy Panel. Such reports must be submitted to the Elections Policy Panel within twenty-four (24) hours. At its discretion, the Elections Policy Panel may approve such activities or order them to cease.
- 7.10 Notwithstanding the rules against slates in Policies 7.7 through 7.9 above, candidates may endorse a maximum of two other candidates.
- 7.11 Candidates shall not in any way force, dishonestly influence, or materially induce a member into making a voting decision. This includes making unsubstantiated claims about other candidates, the GSS, or GSS members.
- 7.12 Candidates are responsible for informing themselves and anyone campaigning on their behalf as to the contents of this Policy.
- 7.13 Candidates may be held responsible for inappropriate conduct by themselves or anyone campaigning on their behalf.
- 7.14 Prepared campaign materials (including but not limited to posters, pamphlets and social media posts), must be approved by the Elections Policy Panel prior to distribution.
- 7.15 In the event the Elections Policy Panel deems a candidate has violated a policy in their online campaign material, said candidate is required to take down or otherwise retract the material and post a notice of retraction on the same platform within twenty-four (24) hours of notification. The notice of retraction must contain the details of the infraction and be approved by the Elections Policy Panel. Failure to do so will result in disqualification from the election.
- 7.16 Candidates who wish to appeal a decision made against them by the Elections Policy Panel are entitled to do so, and the appeal will be reviewed by both the Elections and Engagement Committee and the Elections Policy Panel. Said candidates are also entitled to receive a response within forty-eight (48) hours of filing the appeal.
- 7.17 Candidates must disclose all campaign platforms that will be used for their campaign to the Elections Policy Panel. The provided platforms must be accessible to the general public from when they are nominated until the results of the election are announced.
- 7.18 Current Executives cannot use Society resources, which are not accessible to other candidates, to campaign for themselves and/or other candidates including but not limited to:
- (a) social media, and,
 - (b) email distribution lists.

- 7.19 Candidates may assemble a campaign team to help run their election. Candidates must disclose who is on their campaign team to the Elections Policy Panel.

8 Debate

- 8.1 Candidates are required to attend the Elections Debate(s). If a candidate is absent from a Debate, their name will be withdrawn from the elections by the Elections and Engagement Committee, if the candidate does not provide a legitimate reason for their nonattendance to the committee. The decision of the Elections and Engagement Committee in discerning the legitimacy of a reason will be final.
- 8.2 The format and the rules of the Elections Debate(s) will be determined by the Engagement and Elections Committee and candidates will be notified of the format and the rules at least five (5) business days before the Elections Debate(s).

9 Debate

- 9.1 Ballots shall follow the format in Appendix IV; the only changes allowed are the listing of candidate names, unless approved by Council.
- 9.2 The ordering of candidates shall be random whenever possible.
- 9.3 The ballots shall carry two extra options for each position, called "Reopen Nominations" and "Abstain". Whenever possible, the ballots should include an explanation of these two options for voters.
- (a) The purpose of "Reopen Nomination" is to allow members to call a new election if all the candidates for a position are unsuitable. The votes for "Reopen Nominations" shall be counted as if it were a candidate. If "Reopen Nominations" wins an election, then that position shall be declared vacant, and a new election (for the respective position only) shall be called by the ESEO.
 - (b) The purpose of "Abstain" is to allow members to decline voting for or against the candidates for a position.
- 9.4 Candidates for Student Senators shall be appointed by acclamation if there are only two candidates for the two (2) position openings.
- 9.5 The GSS shall use the SimplyVoting software for its polling purposes.
- 9.6 The Elections and Engagement Committee shall:

- (a) designate the ESEO to be the electronic voting system administrator (the “Administrator”),
- (b) instruct the Administrator to use one of the following options:
 - (i) A local administration: oversee the installation and configuration of the electronic voting system administration software, ensure the safekeeping of the elections administration software on a computer available for audit, use an account with a unique login and password known only to the Elections and Engagement Committee, or
 - (ii) A remote administration: secure a contract for the services of the electronic voting system personnel, where the Administrator can monitor the configuration of the electronic voting system election, population of the voters list, security of the software, and counting of ballots. Furthermore, the contract should make the electronic voting system available for audit.

9.7 If a polling station is employed to provide access to the electronic voting system, the station must be kept secure and any materials at the polling station must be neutral and not influence the voter’s decision in any way.

10 Counting of the Votes

10.1 No member shall be allowed more than one vote in any Society election. If a member is found to have cast more than one vote, all of that member’s votes shall be voided, and Council may, at their discretion, penalize the member.

10.2 After the polls have closed on the last day of polling, the Administrator shall collect the results of the Elections. There shall be at least two members of the Elections and Engagement Committee present at the collection of electronic voting system results.

10.3 In the event of a tie for the most number of votes, the vote shall be decided by the toss of a coin by the ESEO.

11 Announcing Results and Ratification

11.1 At the conclusion of counting, the ESEO shall draft a report of the preliminary results and announce the preliminary results. This report shall be signed by all present at

counting, including scrutineers. It shall follow the form outlined in Appendix V and shall be made public no later than seventy-two (72) hours following the closing of the polls.

11.2 The results are deemed official once ratified by Council.

12 Announcing Results and Ratification

12.1 Any complaint by a member of the Society regarding the elections shall be reported in writing to the ESEO no later than five business days after a specific incident if the complaint concerns another candidate's behavior. If the complaint concerns the general election procedure, the complaint shall be reported in writing to the ESEO no later than five business days after the preliminary announcement of the election results.

12.2 The Elections and Engagement Committee may penalize a candidate in the event of a breach of any policies outlined in this section or rules set at events held by the Elections and Engagement Committee. The Elections and Engagement Committee shall determine the penalties for such breaches. Any decision taken along with the reasons for such action must be presented to Council. Penalty options include, but are not limited to:

- (a) removal of campaign material,
- (b) retraction of campaign material,
- (c) correction of campaign material,
- (d) withholding re-imbusement of campaign expenses,
- (e) disqualification of the candidate from the election, or
- (f) any combination of the aforementioned penalties.

12.3 Complaints and Appeals are to be filed using an Elections Complaint Form (Appendix VI), sent by email to the ESEO. All Elections Complaint Forms will be relayed to the Elections Policy Panel. The ESEO also reserves the right to file complaints themselves.

12.4 If a complaint is not within the purview of the Election Policy Panel it will be handled by the Elections and Engagement Committee.

12.5 If a complaint is about the ESEO or the Election Policy Panel, the complaint will instead be filed to the chair of the Governance and Accountability Committee.

13 By-Elections

13.1 By-elections may be called by Council to fill any executive vacancy, subject to Bylaw 8.4.

- 13.2 By-elections shall be conducted under the existing Elections Procedure and shall be conducted by the existing Elections and Engagement Committee.
