

Ebiha Demir

Vice President Students

Hi! My name is Ebiha, and I am running for GSS VP Students.

I am a master's student in the Language & Literacy Education Department (LLED) with a background as an English teacher and early childhood educator. I am dedicated to engaging and supporting our graduate community.

My goals include launching interdisciplinary events, themed workshops, and mentorship programs to foster collaboration and personal growth. Interdisciplinary events, such as networking mixers and research pitch competitions, will help you connect with students beyond your department. Themed workshops will provide a supportive space to develop valuable skills, such as financial wellness, public speaking, and networking. Meanwhile, mentorship programs will ensure you always have someone to guide you, whether you're new to UBC or a seasoned graduate student.

With my experience on the Turkish Students Association (TSA) Events Team at UBC, I am confident that we can achieve these meaningful and realistic goals to enrich our graduate student experience.

Let's flourish together!
